AOP Cabernet d'Anjou

Cabernet Franc

47 ha – Yield : 53 hl / ha

Terroir : Sol de graves - sableux limoneux

Low degree fermentation. Fermentation stopped when 9.5 % alcohol is reached.

- ✓ Alcohol : 10 % Vol. (AOP minimum degree)
- ✓ Acidité totale : 2.7 g / L
- ✓ Sugar : 49 g / L

Intense pink purple with glints of garnet, very lively bouquet of raspberries and redcurrants. Fruity on the palate, with great finesse and good balance creating a harmonious effect with a light, pleasant finish. Cool, refreshing, and elegant, this is a very enjoyable, convivial wine...

Grills, surprising on spicy exotic dishes and Asian cuisine

-

-

Tabbouleh, spring rolls, various salads.

Red berries, strawberry soup, strawberry tart, or charlotte
